Jessenia Francisca Sevilla

Jessenia, age 26, originally from the rural department of Boaco, lives on a small parcel of her partner's family land on the outskirts of Managua. She works full-time as a housekeeper for two nearby middle class families.

Interested in widening her skill set and income earning options, Jessenia completed the 1st of 4 intensive modules of a Shiatsu Course at Instituto de Estudios Superiores de Medicina Oriental Japon-Nicaragua (IESMO-JN) in 2009. She seeks to complete the remaining 3 modules in 2012 and start practicing. Her annual expenses for tuition, books, supplies, clothing, transportation, and meals = \$500 year.

Donors wishing to sponsor her three remaining modules and transition to work in 2013 would be most appreciated.
